### **Introduction/Call for Contributed Papers**

The special session on Innovations in Computation and Applications brings together researchers working across this field to share their experience and discuss advanced techniques. Prospective authors are invited to submit original papers to the Special Session.

### **Indicative Topics/Areas**

Within the scope of this session, areas of interest include, but are not limited to:

- Artificial Intelligence
- Computational Intelligence
- Computer Security
- Data Mining
- Decision Making
- Distributed Networks
- Fuzzy Systems
- Genetic Algorithms
- Image Processing
- Information and Computer Technologies
- Information Hiding
- Information Security
- Knowledge-Based Systems
- Learning and Adaptive Systems
- Machine Learning
- RFID Applications
- Transportation Systems
- Other Related Topics

### **Important Dates**

~~October 15, 2013~~ October 30, 2013: Paper Submission Due.

December 15, 2013: Notification of Acceptance.

January 15, 2014: Final Camera Ready Form.
